MANAGER'S REPORT

- MSW has been pretty steady with weather cooperating.
- Industrial cell is still slow.
- We have been working on road entrances to scale, but with rainy weather its slowed us down.
- The New scale pilons have been poured just waiting for cement to cure before moving the new building in place. Then all the contractors can finish inside.
- Moving forward with Recycling in conjunction with Circular materials, CNP had the landfill negotiate for them and the MD is negotiating their own deal.
- The new Handbook has been sent out with good responses from employees.
- Recycling continues to be steady. Waterton has started stocking their shelves so getting from them as well.
- Recycling from Eco centre continues to be great.
- Recycling from CNP continues to have issues with debris inside the bins.
- We started doing our own services on our Peterbilt's vs sending them off site to have done.
